

The most interesting
bicycle route in the city
of Tarnów

Map of the route and its length

- The length of the route is 10 kilometers. The route will run from the XVI LO Tarnów to KFC Tarnów Słoneczna.

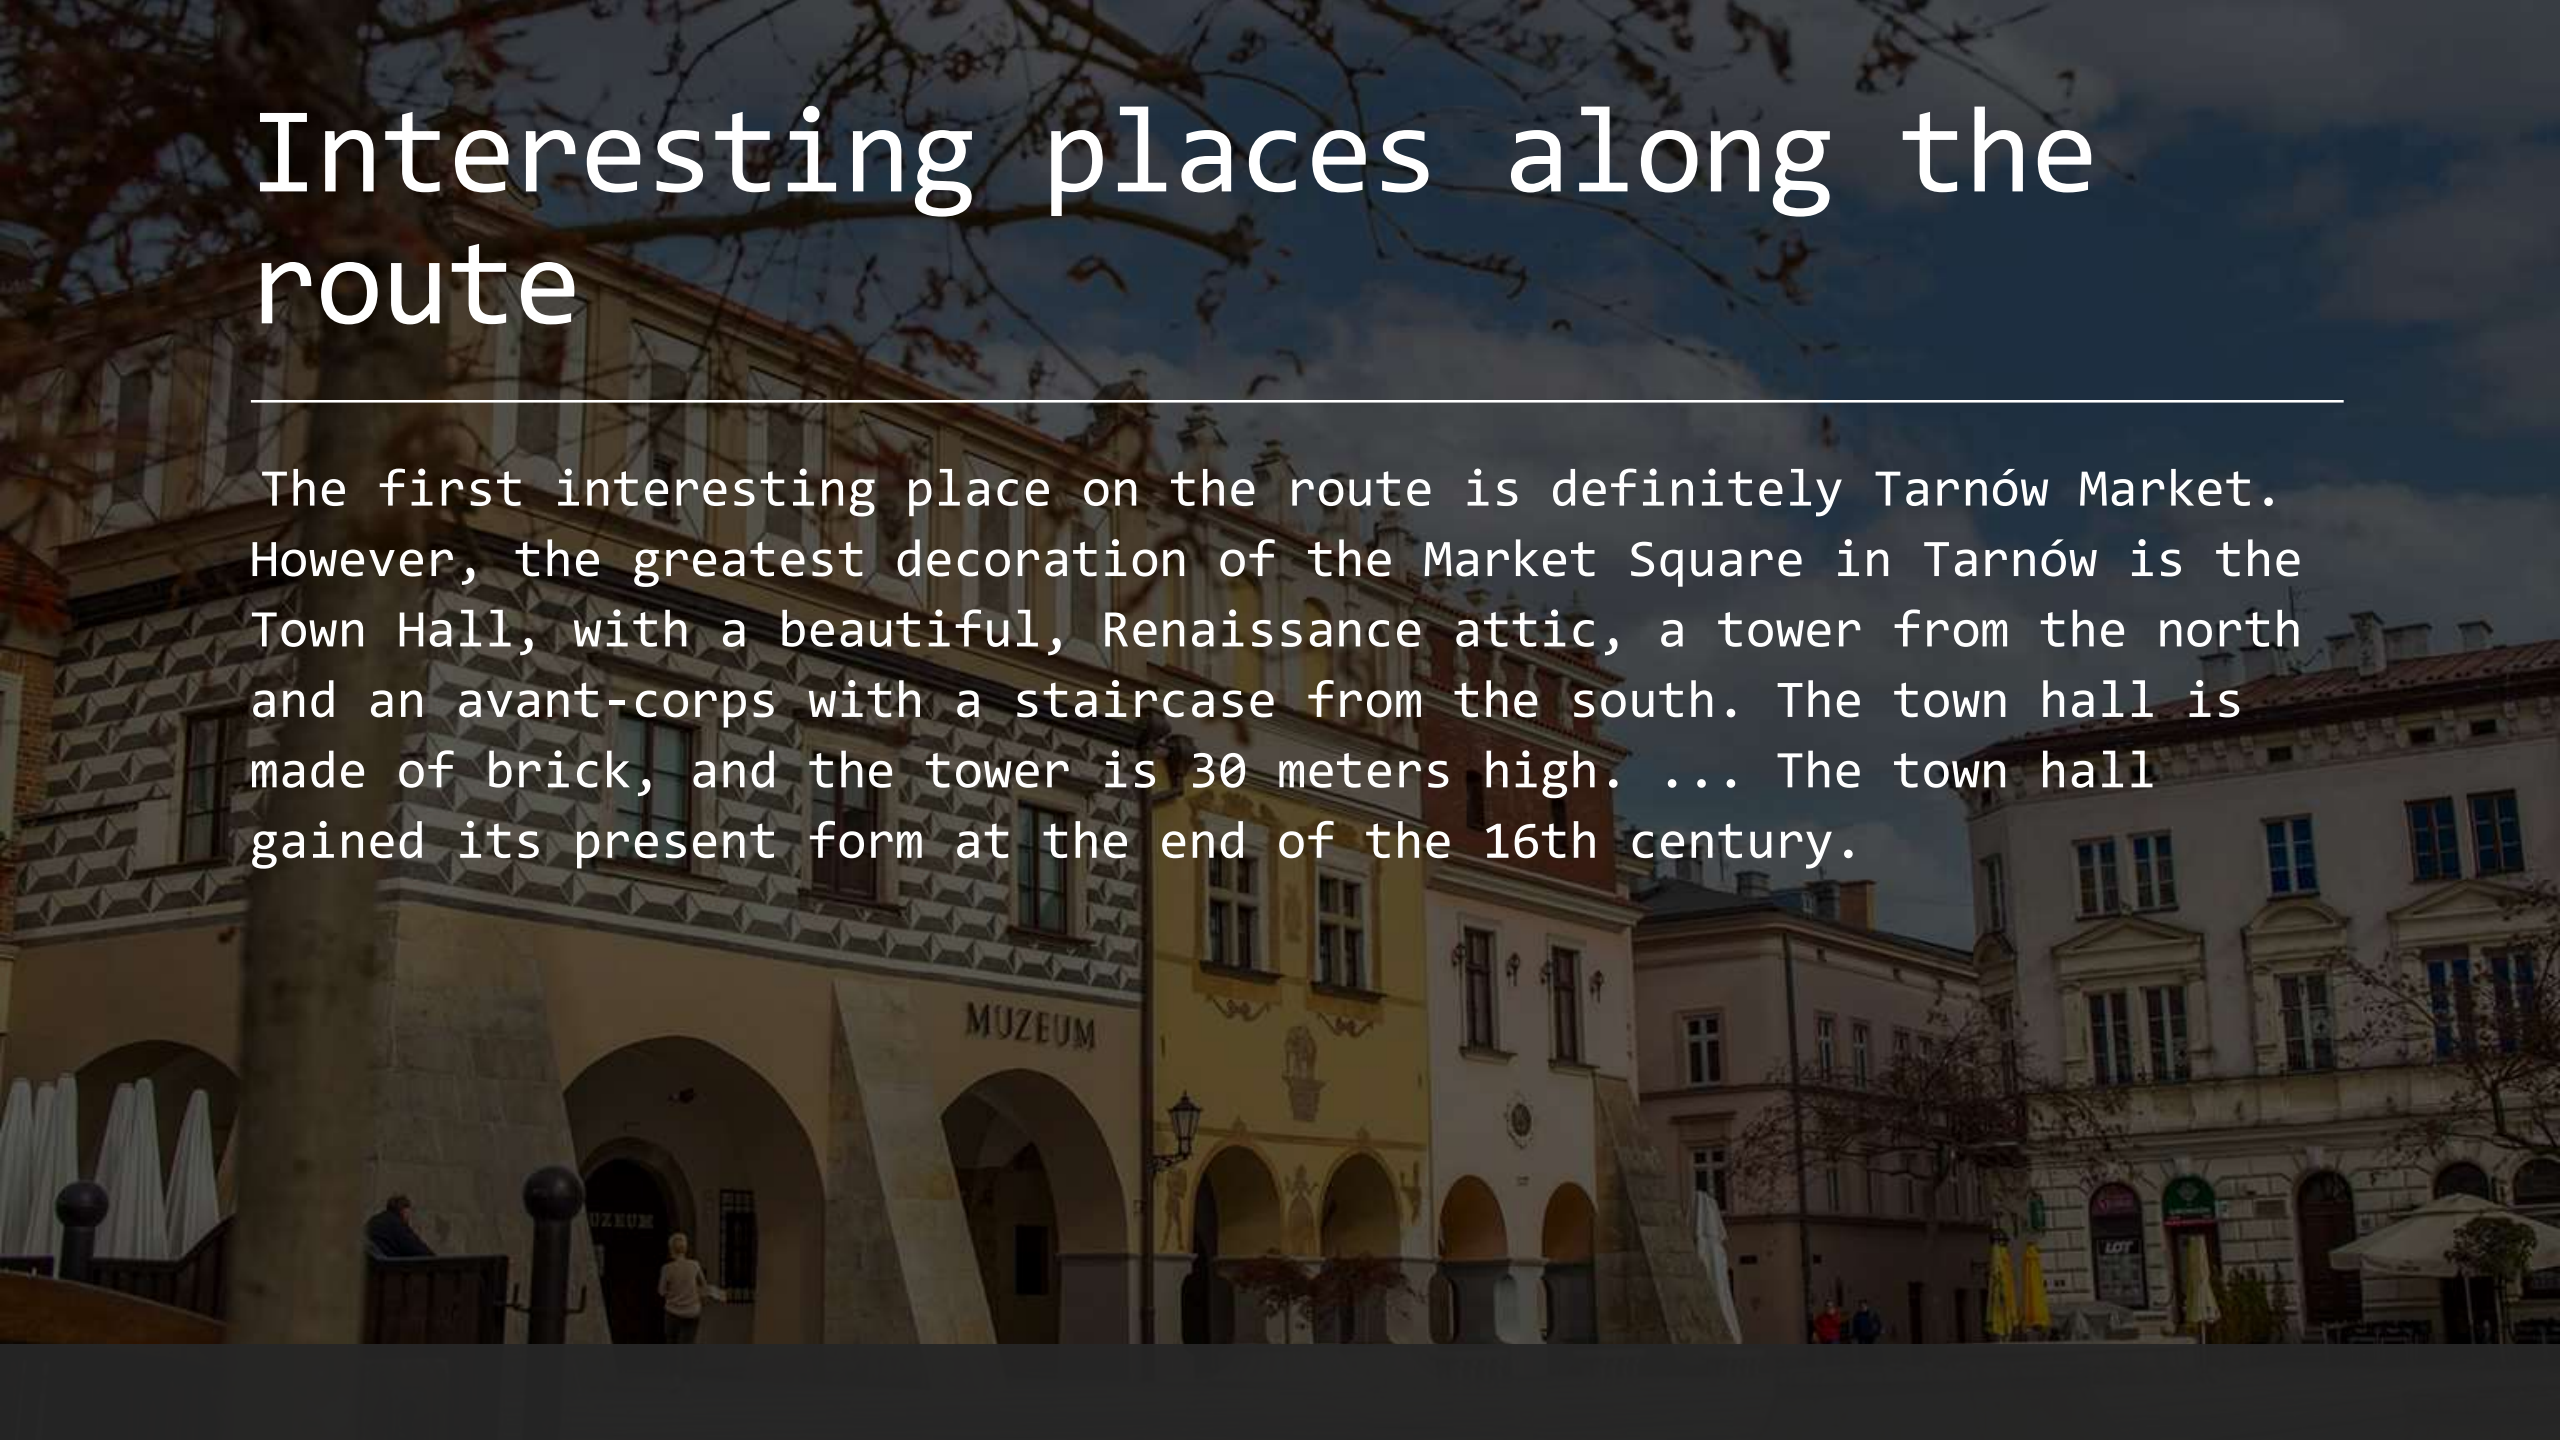

XVI L0 Tarnów

The route begins at the 16th High School in Tarnów.

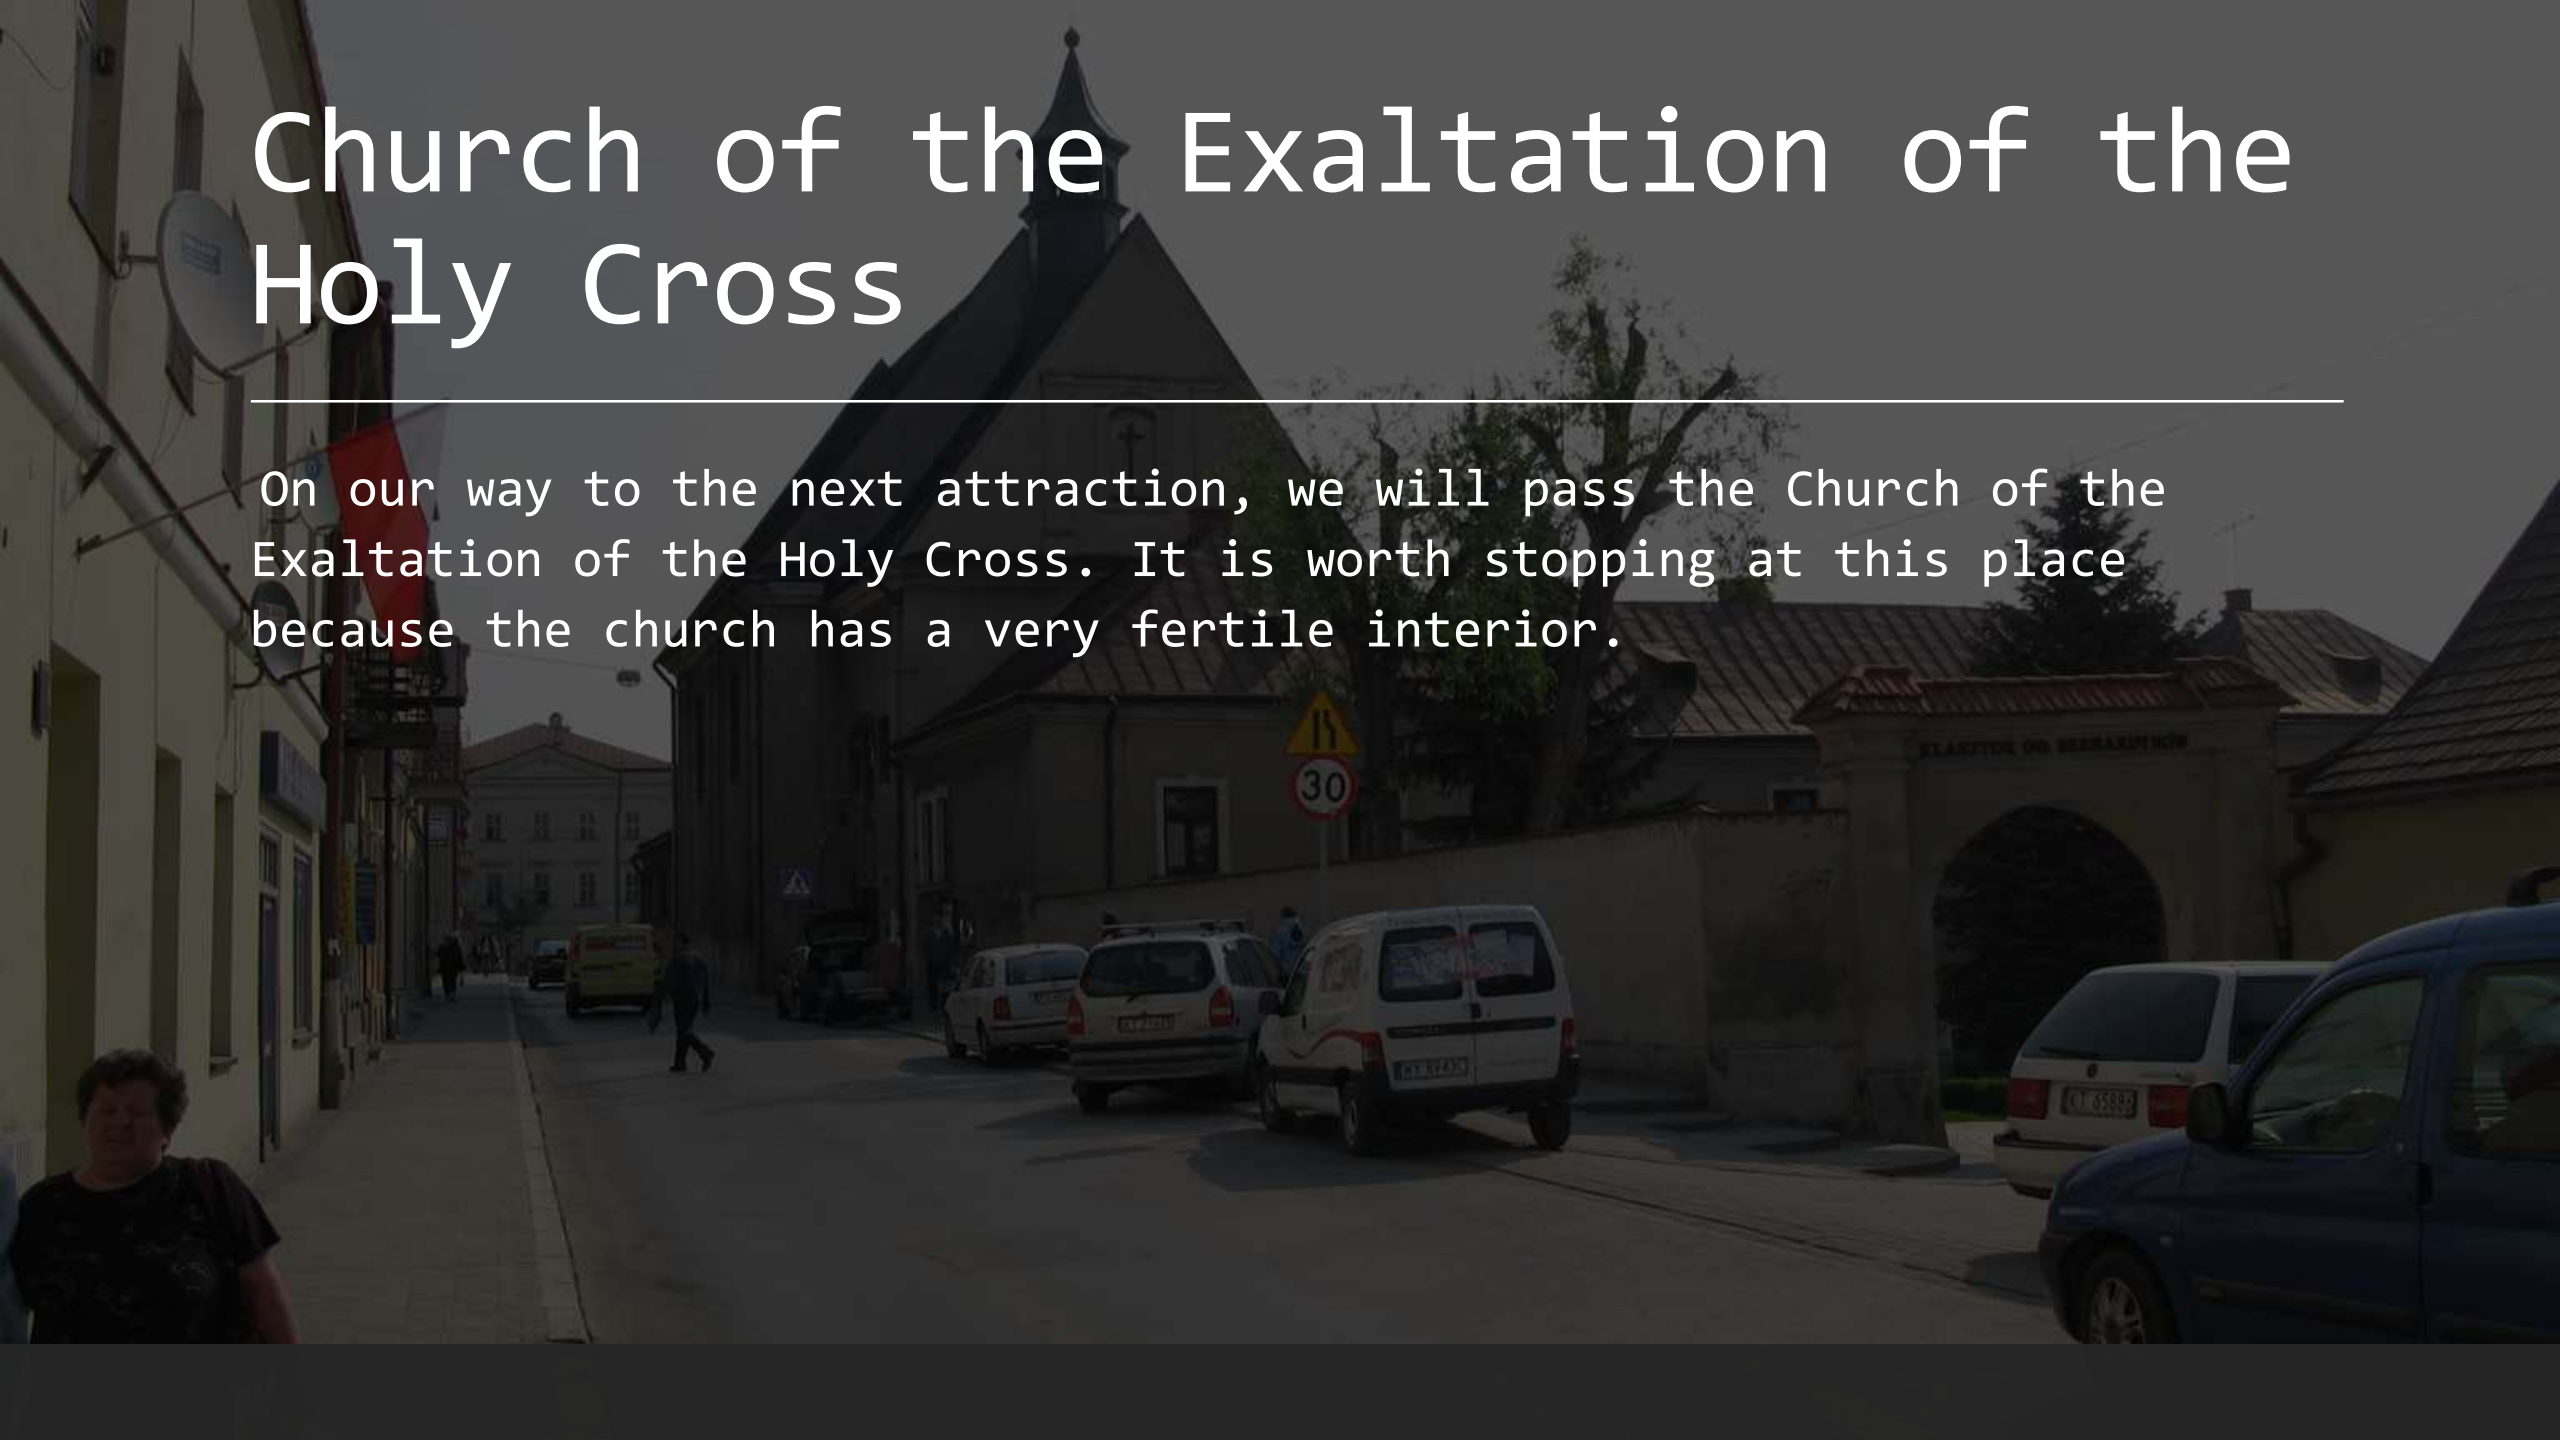

Interesting places along the route

The first interesting place on the route is definitely Tarnów Market. However, the greatest decoration of the Market Square in Tarnów is the Town Hall, with a beautiful, Renaissance attic, a tower from the north and an avant-corps with a staircase from the south. The town hall is made of brick, and the tower is 30 meters high. ... The town hall gained its present form at the end of the 16th century.

Church of the Exaltation of the Holy Cross

On our way to the next attraction, we will pass the Church of the Exaltation of the Holy Cross. It is worth stopping at this place because the church has a very fertile interior.

Ruins of the Tarnowski Castle

Another interesting place is the ruins of the Tarnowski Castle. We can see a beautiful view of the city from the top of the castle or the mountains from the other side.

Natural monument - Erratic boulder

When heading to the Sanguszków Park, it may be a good place to stop. Erratic boulder nature monument. A post-glacial erratic boulder positioned at the intersection of the 21E meridian and the 50N parallelogram. The boulder was placed there in 1983. It is located at Aleja Tarnowskie leading to the top of Marcin. I think it is an interesting place mainly because it shows the intersection of the meridian and the parallelogram.

Park Sanguszków

The final attraction is the Sanguszków Park. Currently, the most interesting thing in the Park is the fountain. The former Sanguszków Palace and the present school are also interesting, but we only have to watch it from the outside. The park and its surroundings are a great example of what the old manorial buildings looked like, i.e. the palace, buildings for servants, farm granaries and stables.

KFC Tarnów Słoneczna

After the whole day of the tour, it would be appropriate to eat and the best place in Tarnów is of course KFC Tarnów Słoneczna.
